The Texican Cafe, an Austin original, began serving hungry Austinites in South Austin in 1988. Then and now, our food philosophy remains the same - use only the finest and freshest beef, poultry, seafood, and produce to ensure the delivery of the most palate pleasing offerings of the highest quality.

Our chili peppers and spices are native to the cities of Juarez and El Paso and give our food a unique flavorful flair that Austinites have been enjoying for over 25 years. These traditional ingredients paired with New Mexican Native American ingredients made for the perfect blend of Mexican food created for Texans, thus the birth of the "Texican Cafe".

The Texican Cafe is an Austin original as unique as Austin itself. In every family, each "child" has a personality all their own. But at the end of the day, we are still a very close-knit group with a shared passion for food and drink. Whether you're enjoying our fresh homemade tortillas, our Award-Winning Cabrito, one of our signature enchilada plates, or our mouth-watering fajitas topped off with one of our famously fresh Margaritas, please know that each Texican family member works hard to serve you and the wonderful city of Austin we proudly call home.
